Subject No. 190.
Acquisition of insanitary houses.
Mr. M. Anantharajaiya.

Summary of discussion.—Insanitary houses should be acquired, and with the material of such houses sanitary houses should be built in good localities and given to the owners.

Reply of Government.—All that is possible is being done.

Subject No. 191.
Advances for building sanitary houses.
Mr. M. Anantharajaiya.

Summary of discussion.—Advances should be made to those who build sanitary houses, to be repayable in small instalments on the security of such houses, in towns as well as villages.

Reply of Government.—Noted.

Subject No. 192.
Sites for building purposes.
Mr. M. Anantharajaiya.

Summary of discussion.—Fields should be purchased, sites marked out, and drainage completed, before sites are sold.

Reply of Government.—Noted.

Subject No. 193.
Public latrines to be built a little remote from the inhabited parts.
Mr. M. Anantharajaiya.

Summary of discussion.—Public latrines should be built a little remote from the inhabited parts, in a corner of parks or topes, to be opened as lungs for the city.

Reply of Government.—Referred to the Municipal Board.

Subject No. 194.
Crematories or Burial grounds.
Mr. M. Anantharajaiya.

Summary of discussion.—Crematories or burial grounds should be opened and enclosed at a distance of about 2 or 3 furlongs beyond the boundaries of the city, and water and shelter should be provided for every caste.

Reply of Government.—Referred to the President, Municipal Board.

Subject No. 195.
Location of some offices at Mysore.
Mr. M. Anantharajaiya.

Summary of discussion.—Education, Police and Military offices (*i.e.*, Head Offices) should be located at Mysore.

Reply of Government.—Noted.

Subject No. 196.
Mochighat nala.
Mr. M. Anantharajaiya.

Summary of discussion.—The Mochighat nala may be closed.

Reply of Government.—Noted.

Subject No. 197.
Location of Padakhanas.
Mr. M. Anantharajaiya.

Summary of discussion.—The padakhanas may be located outside the city.

Reply of Government.—Referred to the Excise Commissioner.

Subject No. 198.
The Mandagere nala.
Mr. M. Anantharajaiya.

Summary of discussion.—The Mandagere nala may be extended.

Reply of Government.—Referred to the Chief Engineer.

Subject No. 199.
The Virjanadi nala.
Mr. M. Anantharajaiya.

Summary of discussion.—The Virjanadi nala may be repaired.

Reply of Government.—Referred to the Chief Engineer.

Subject No. 200.
Improvement of Kanchagarakatte.
Mr. Madappa.

Summary of discussion.—It is requested that the tank called Kanchagarakatte lying on the Mysore-Bannur road within the limits of Vajamangala village, Mysore Taluk, may be improved by lowering the bed and constructing a waste-weir at a higher level than the present one, as the work will prove useful to travellers and cattle passing on the said road as well as to the people of the surrounding villages.

Reply of Government.—Referred to the President, Local Fund Board.
